

Table Tennis Ball Night Light

Artistic Adventures

Ages: 3-5

Less than 30 minutes

Grownup needed

This is a delightful art project that even the youngest children can participate in. These cosy and creative night lights not only decorate your room but also help children move around safely at night, increasing their sense of security.

Materials Needed

Plate
Battery-operated tealight
Table tennis ball
Paint
Scissors

Step-by-step tutorial

Step 1

Using scissors, make a large hole in the table tennis ball (adult assistance required).

Step 2

Squeeze some paint onto the plate, being careful not to use too much at once.

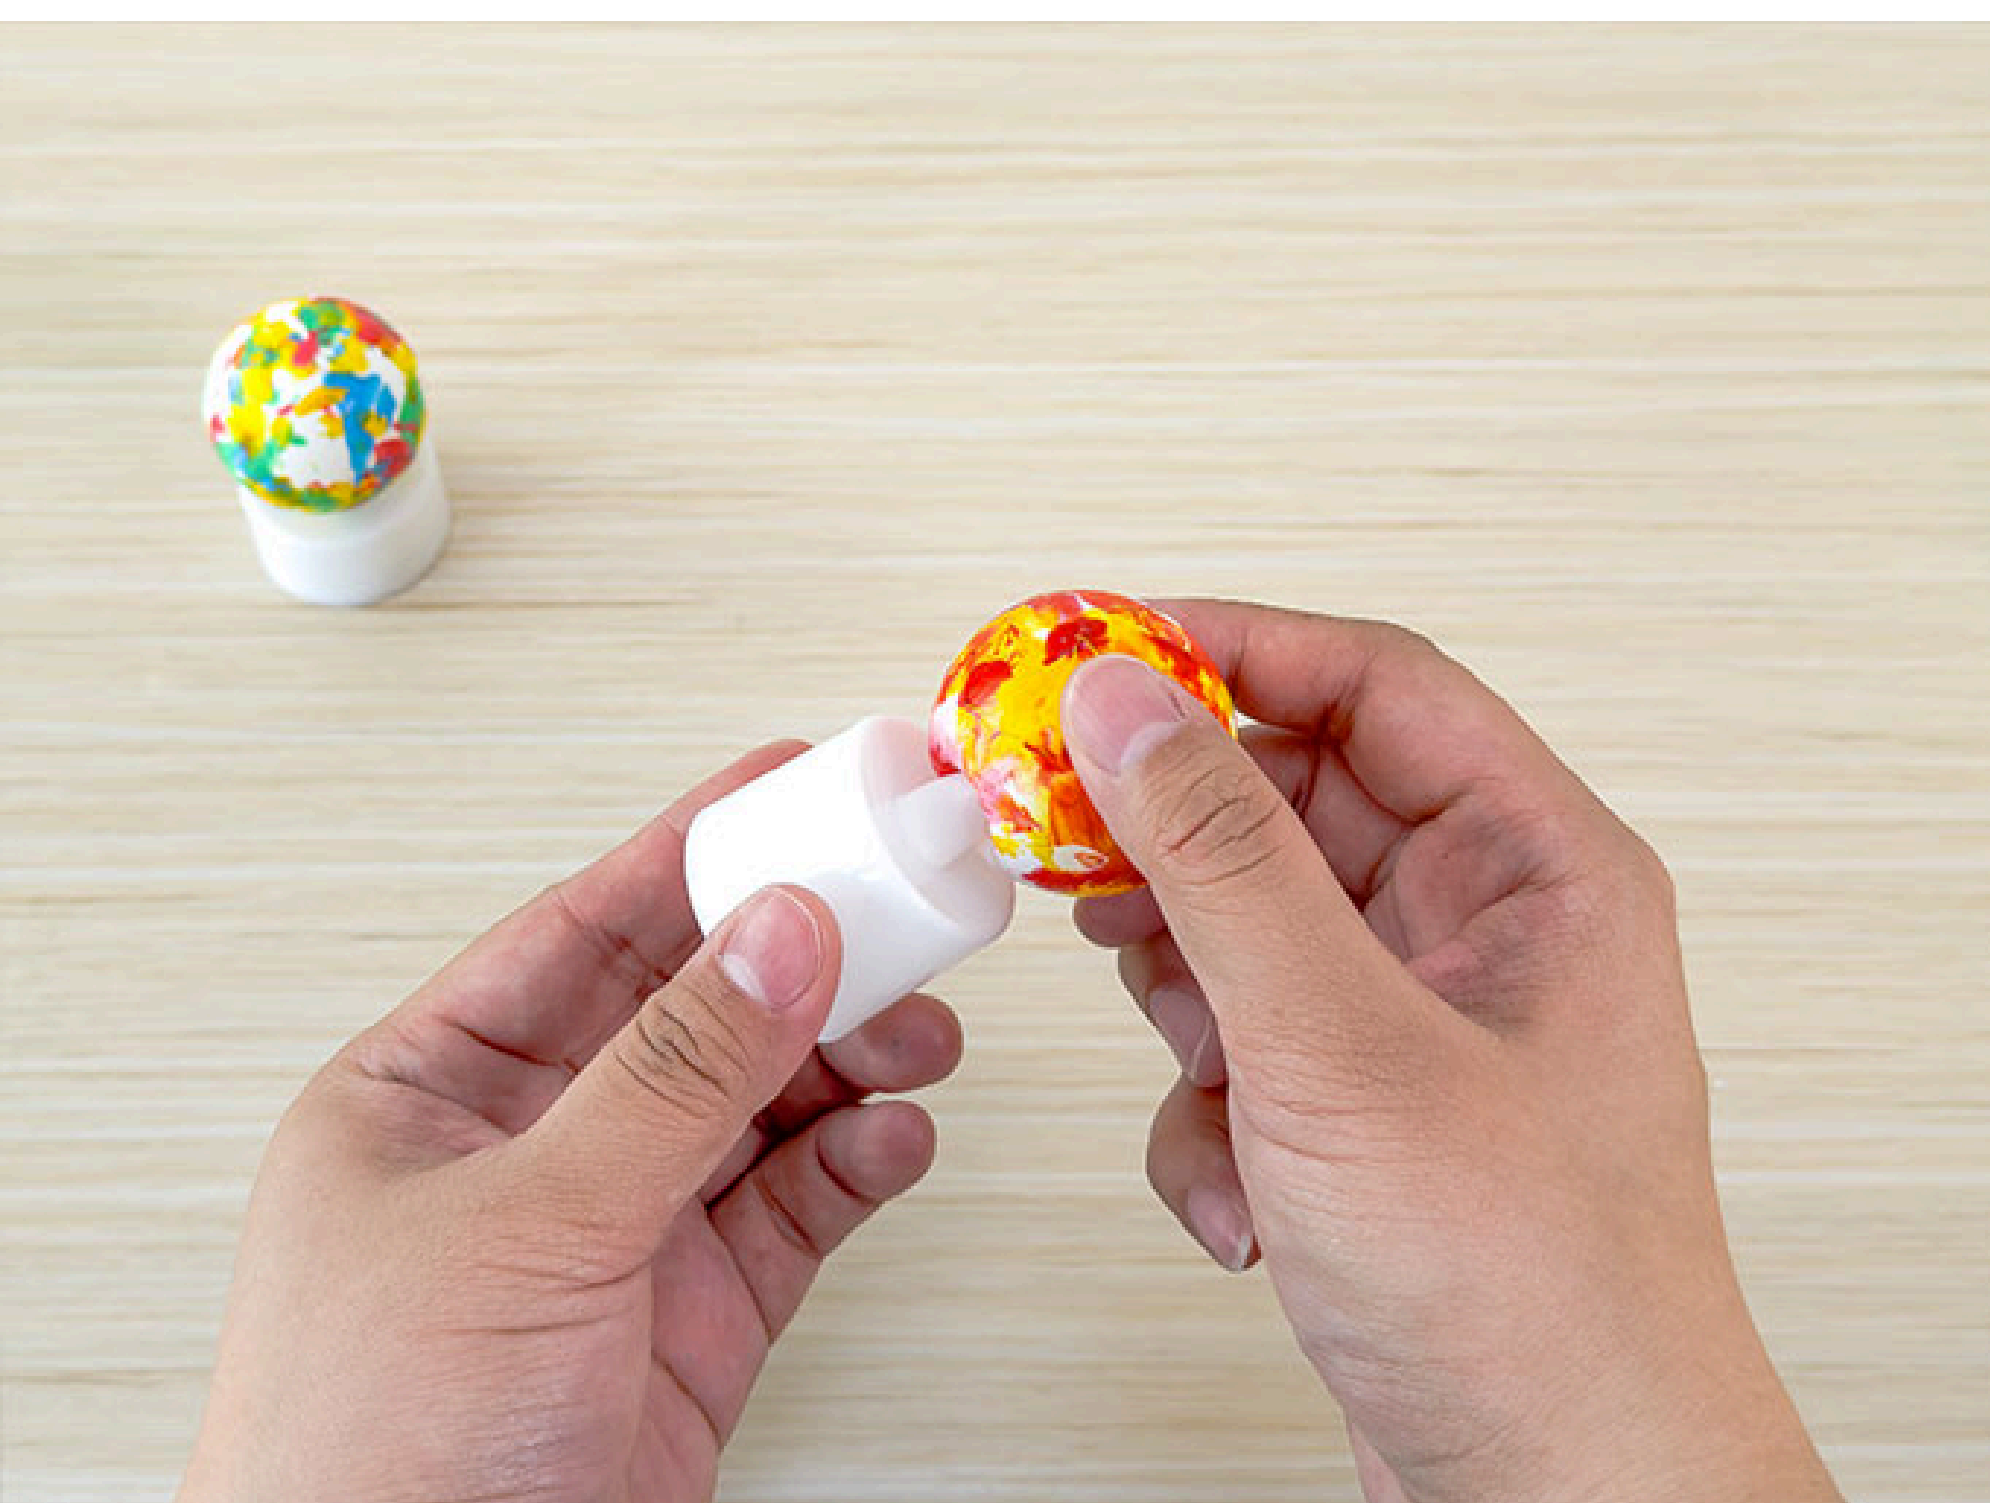

Step 3

Place the pierced table tennis ball on the plate and gently tilt the plate to roll the ball around, coating it with paint.

Step 4

Once the table tennis ball is dry, place it over the tealight.

Step 5

Switch on the tealight and admire your artistic creation!
