

Create unique artwork by combining seeds of different shapes and colours! This activity develops both hands-on skills and creativity. Join children in crafting your own artistic decorations using natural materials found at home!

## Materials Needed

Large glass bowl  
250g salt  
500g flour  
250ml water  
20ml oil  
tablespoon  
seeds  
(rice, wheat, beans, etc.)  
spices

## Step-by-step tutorial

### Step 1

Add 250g salt, 500g flour, and 250ml water to the large bowl in sequence.

### Step 2

Add three tablespoons of oil to the bowl and knead the mixture into dough by hand.

### Step 3

Roll the mixed dough into a cylinder shape.

### Step 4

Divide the long dough into 6 small portions by hand, trying to keep them equal in size.

### Step 5

Flatten each portion into a disc shape.

### Step 6

Design your preferred patterns on the dough using seeds and spices.

### Step 7

Leave to dry for 7 days, and your seed mosaic decoration is complete!
