

Get Crafty! Make Your Own Christmas Tree!

October 22, 2024 / DIY / Artistic Adventures / Quick Easy Craft Activities / Age 6 - 8 / DIY Christmas Tree

How can you involve a 3-year-old child in Christmas decorating activities at home? With just a bit of preparation, you can keep your child happily busy for hours with this hands-on activity!

- Age: 6-8
- Time: Less than 1 hour
- Messiness level: A bit messy
- Adult supervision required

Materials Needed:

Paint Palette
Scissors
Paint
Cardboard
Felt-Tip Pens
Cotton Buds
Screwdriver

Step-by-Step Instructions:

1. Draw a Christmas tree on the cardboard.

2. Use a screwdriver to poke holes in the Christmas tree (parents can help with this step).

3. Dilute the paint to a watery consistency, and dip both ends of the cotton buds in the paint.

4. Use scissors to cut the cotton buds in half (parental assistance needed).

5. Insert the cotton buds one by one into the holes in the cardboard, and start decorating your Christmas tree!
